Wanted:  
Spiritual Disciplines for

by John Ortberg***

There are two ways to participate in this study.  
1) You can read and study the book, *The Life You've Always Wanted: Spiritual Disciplines for Ordinary People* on your own OR 2) You can participate in a group discussion about the book.

We are forming five groups of individuals who will meet for six sessions during the season of Lent (February 17 - April 3, 2010). The groups will meet on different days at different times.

The cost of the book is \$15 if you order through Saint Mark.
